Further Ideas:

Game plan: have to collect 10 books before you can leave and some events either make it harder for you so remove your books

- Completing first assignment/collecting first book
- Escape in under a certain amount of time
- Acquire every possible item
- Finish a run activating all events
- Finish a run without activating any negative events
- Complete the game without sprinting
- Complete the game very close to the timer hitting 0 (5 seconds?)
- Get caught by the dean
- Include an easter egg achievement, something to do with longboi?
- Complete the game without drinking energy drinks
